## **BOYD VOTES FOR INCREASED, RESPONSIBLE DOMESTIC DRILLING**

*DRILL Act would allow drilling in more than 20 million acres in Alaska*

WASHINGTON, D.C.—Congressman Allen Boyd (D-North Florida) today voted for legislation to increase

“This bill is a common sense approach to our near-term energy crisis,” said Congressman Boyd. “I am a

The DRILL Act would unleash the vast potential of the National Petroleum Reserve by requiring annual f

Unfortunately, the DRILL Act failed to receive the necessary support to pass in the House of Representa

“The people of North Florida want real relief at the pump, not the political bickering that has plagued Wa
